AGENDA ITEM:

Public Hearing on Fee Schedule for SP-1 Zoning District and for temporary banner signs for religious institutions and nonprofit organizations

BACKGROUND / SUMMARY:

No fee has ever been adopted for this zoning district. The SP-1 zoning district is a special purpose district. The intent for adoption of this zoning district in 1995 was to acknowledge the existing construction /demolition/ debris landfill that is currently operating on this site. Additional goals for this zoning district are to promote recreational, open space and/or public uses to meet the environmental, social, transportation and economic development needs of the town. The SP-1 district establishes high standards of development to include sound environmental requirements, traffic, and parking management, and high quality landscaping standards. Staff has become aware that the operators of this landfill may be interested in a comprehensive planning and a rezoning for the property to a SP-1 district with potentially a limited time duration placed on continued operation of the landfill, once the property is rezoned. In order for any discussion to move forward, a process must be in place to allow for it and the first step is to set a fee for rezoning to this district. Staff recommends that a fee parallel to rezoning to the industrial zone be adopted.

Temporary banner signs were permitted with the adoption of an ordinance amendment in January 2013. It was determined that no fee would be charged but this should be included in the fee schedule to reflect this (that no fee is charged).
